

STAGE 1

It's another Father's Day in Burritoville, and the celebrations are fixin' to commence. But that doesn't stop those nasty cowboys from trying to ruin the festivities with their wild bunch ways. Luckily for the townfolk, the cowboys' ole pa is with them today, and he aims to see that his boys don't cause any trouble in Burritoville on Father's Day.

STAGE 4

Well, it seems the cowboys have wreaked havoc on Burritoville after their wild and wooly Father's Day celebration, and somebody has to pay. Since they didn't do too well with their recent bank robbery, Pa has to foot the bill for the damage or get rode out on a rail.

STAGE 5

Sick and tired of the cowboys whining about having wicked hangovers from their Father's Day imbibing and not enough money to pay for the damage they caused, Pa has decided there's only one way he's going to get a nice, peaceful and quiet Father's Day as he glares at those dang boys.
