

## Stage 1

Well you are just waking up after that nasty fall, its been a month and you find you have been shanghai'd by pirates and taken to the Kingdom of Hawaii. The Big Kahuna says that you are to be sacrificed in the volcano to pacify their god Pele in celebration of his son's marriage, that is unless you can find a better sacrifice, like a virgin. Look around you, do you see any virgins? No, everyone here looks f...inely seasoned! Easier to fight your way of this!

## Stage 2

Strange looking place this Hawaii, strange people too, wearing grass skirts and funny shirts. You've read about this place when Capt. James Cook "discovered" it 100 years ago. If memory serves it didn't go so well with him either! What's with this "Aloha" these people don't know if they are coming or going! Best find appropriate clothes to blend in because the Big Kahuna has already put the word out to re-capture you, and frankly you stand out like a seductive lady of the evening in church. Best be prepared to defend yourself!

### Stage 3

Well, you need to complete your ensemble to blend in, you find the local brothel and maybe you can find one of them flowered necklaces! While you're here you can ask around if there are any virgins hereabouts. The madame says "Sure, Rosita here has been a virgin several times, that's just \$5 extra!" You reply, "Lady, that's not the kind of lei I'm looking for!" Better be ready to practice your foreplay or should I say fourplay.

Shotgun: From the right of the horse, shoot the poppers; PMF.

## Stage 5

Some paradise! No free drinks, you didn't get lei'd, and your being chased by some grass skirted guy named Kamehiwanalaya. Reminiscent of Capt Cooks last stand, you have been chased onto the beach. Unlike Capt Cook, you have some repeaters to defend yourself with. So before they make you swim out and offer you as a sacrifice to Mano, you may just want to give them something to make them think twice!
